Greenville Bench Prescribed Fire

Beaver County, Utah ... The Cedar City BLM will conduct a 50 acre prescribed burn on Greenville Bench in Beaver County, approximately 6 miles southwest of Beaver, Utah. The burn is part of the Joint Fire Science study program conducted by BYU and USU. Crews will try to remove up to 75% of the sagebrush and pinyon/juniper overstory, using hand ignition techniques. The ignition phase will take place on Thursday, November 1, 2007. Residual smoke may be visible in the area for a few days afterward.

For additional prescribed fire information please go to website www.utahfireinfo.gov.
